HOUSE OF INDUSTRY

The Ninety-Fifth Annual Report of the Toronto House of Industry

For the year ending March 31st, 1932.

The 95th Annual Meeting of The Toronto House of Industry was held in the Assembly Hall of the institution on Thursday, April 28th, 1932, at 4 o'clock.

Chas. T. Stark, the President, occupied the Chair. The meeting was opened with prayer by Rev. J. E. Gibson, after which His Worship Mayor W. J. Stewart took the chair and delivered the following address:

"The City of Toronto is passing through a strenuous time and I wish on behalf of the City Council to express to you our sincerest thanks and grateful appreciation for the co-operation you have given us in carrying on this very necessary service.

"We at the City Hall think you have a splendid organization and are doing a wonderful work in serving the needs of the public and you can always be sure of our confidence, our respect and our appreciation.

"Unfortunately through procedure an unpleasant situation has arisen that in my mind has not affected the good feeling that exists between us and the responsibility will have to be placed where it rightly belongs, and I am not blaming you.

"People in the public service must be prepared to find much difference of opinion, but I want to say this, the City of Toronto appreciates what the House of Industry has done over a long period of years and what you are doing in the way of relief work is an added responsibility and you have been carrying it on to the best of your ability.

"The City of Toronto is not finding fault with the House of Industry but there is a certain responsibility resting upon every member of Council in the expenditure of public funds and it is our duty to see that the best business methods are used in checking up on the spending of those funds so as to secure accuracy. If there is any change in procedure necessary I will be glad to assume any clerical assistance we may need to protect the interests of the citizens. I am satisfied that I am going to get 100% co-operation from you because I believe you have the same purpose as the City Hall, public service. When you cease to serve the public you cease to accomplish what this organization is here for. We should be able to come to an agreement whereby we can work in the best harmony and with the fullest confidence in each other, so that we may be able to serve the public in the most efficient and economical manner possible, and I can assure you that criticism will in no way dampen the interest in those who have done so much to serve their fellow citizens.

"I believe that you are doing your best about what we all want, the best service at the lowest possible cost, and I sincerely hope that we may all stick right to the middle of the road and so warrant the public confidence, and believe that you will assist us in every way possible by carrying on your noble work."

Reports were presented by the Honorary Secretary, Rev. Thos. H. Rogers; Board of Management; Thos. Maguire, Outdoor Relief; Mr. W. P. Hubbard, Chairman of Casual Ward Relief; Mrs. Arthur Laughlen, Superintendent; Dr. Chas. J. Copp, Medical Advisor, and Financial Statement by the Honorary Treasurer, Mr. E. J. B. Duncan.

A resolution adopting the reports and that 500 be published for distribution among the subscribers to the work of the House, was moved by Thos. Maguire, seconded by Robt. Harrison, and carried unanimously.

A resolution was passed naming the membership of the Board of Managers; this being moved by Ald. J. R. Beamish, and seconded by Rev. J. A. Miller.

The Meeting was adjourned, after which a reception was held in the Assembly Hall.

REPORT OF BOARD OF MANAGEMENT

It is with sincere satisfaction that the Trustees and Managers of the Toronto House of Industry, in accordance with the requirements of their Act of Incorporation, have much pleasure in placing the following report of the Working Management and general statement of the Institution, for the year 1931-32, before you.

In all its branches of usefulness the affairs of this excellent Charity continue with the blessing of a Divine Providence to be carried on and prosper. The design of the Institution is to afford relief to all who may require it, irrespective of creed or nationality and it is gratifying to know that the efforts of the Board have been eminently successful in this respect.

Our activities are directed to:

1. *Inmates*—The care of aged and destitute citizens in the House.

2. *Outdoor Relief*—Outdoor Relief extended to unemployed citizens, aged poor and other dependents upon the kindness and aid of the community. These cases at the request of the Board of Control are all carefully investigated by trained investigators which precludes the unworthy from receiving assistance.

3. *Casual*—Shelter for homeless men in the Wayfarers' Lodge has continued with success. The volume of this work necessarily enlarges yearly with the growth of the City.

We again desire to express our hearty thanks to Coles Limited for their generous donations from time to time of cake, buns, etc.

The City Dairy and Silverwood's Ice Cream which was greatly appreciated by the inmates.

Whyte Packing Company for their generous donations of ducks and chickens.

Harris and Sons for their generous donation of butter.

We also wish to express our hearty thanks to the Consumers' Gas Company for their generous gift of two thousand bushels of coke for distribution among the Outdoor Poor.

We have to record with deep regret the great loss sustained by this House in the removal by death of Mr. James Ince and Mrs. Wylie Mahon.

Mr. James Ince was appointed a Board Manager in 1930, and gave faithful and valuable services to this House.

Mrs. Wylie Mahon was appointed a Manager in 1925, and was a valuable member and deeply interested in the affairs of this House.

The Board wishes to record its appreciation of the devoted and faithful services of the Superintendent.

The spiritual welfare is well looked after by ministers of the various denominations. Several City Missions also have weekly services throughout the year.

Numerous concerts and suppers have been provided by friends of the House, which contribute towards brightening the lives of the inmates.

The Board of the House sincerely appreciates the splendid co-operation of all classes of workers and associations, and earnestly asks for further interest and help on the part of all citizens generally in carrying on this most necessary deserving work.

REV. THOMAS H. ROGERS,
Secretary.

MR. CHARLES STARK,
President.

REPORT OF WAYFARERS' LODGE 1931-1932

The great prostration which for some time past has pervaded almost every branch of industry, has induced many persons who during the summer found employment in outlying municipalities, on the cessation of farm labour or approach of winter to flock for support into the City. Many persons of the class named are debarred from the society of others on account of the filthy condition both of clothing and persons. The cleansing operations at the House restores to the Casual the sense of personal freedom as well as a certain amount of self-respect.

By direction of the Board all wayfarers from outside municipalities and all homeless men of the city were permitted to remain in the Ward continuously where necessary during the winter months upon presentation of a registration card issued by the Civic Unemployment Relief Committee.

Upon admission to the Wayfarers' Lodge each Casual, after he has had his supper must take a warm bath and have his clothing sterilized. He is provided with a clean night robe and a comfortable bed, also breakfast. Each casual is expected to perform some work in return.

HOMELESS POOR OF TORONTO

The number of Toronto citizens who found shelter at the Wayfarers' Lodge during the year, April, 1931 to April, 1932, was 3,793, being an increase of 35% as compared with the previous year.

The Toronto Homeless Poor were cared for continuously, where necessary, during the winter months. The number sheltered for the three consecutive years was 737, 2,812 and 3,793.

The total number of meals supplied was 262,267.

The total number of nights for this class of persons was 59,476, an average of 16 nights for each person for the year, or 76 1/3% of the total.

POOR FROM OTHER MUNICIPALITIES

The number of men who came from outside the city and found shelter in the Lodge was 3,677. Total number for the three consecutive years being 3,040, 5,963 and 3,677.

The total number of nights to this class was 18,477, or average of 5 nights for each person in the year, or 23 2/3 of the total nights.

The total number of meals supplied was 310,827.

Therefore, the total number of men sheltered in the Wayfarers' Lodge last year, homeless poor of Toronto, and poor from municipalities was 7,470, the number for the three consecutive years being 3,777, 8,775 and 7,470.

Hence the total number of persons sheltered during the year was 7,470, and the total number of nights was 77,953.

The cost of the Lodge for the year was \$32,296.85.

For the three consecutive years, the cost was \$13,478.64, \$16,200.56 and \$32,296.85.

Nine hundred and seventy-seven returned single young men were sheltered in the Lodge during the year 5,936 nights and received 17,155 meals at a cost of \$894.93 (included in Homeless Poor of Toronto).

Meals supplied are as follows:—

Breakfast—Bread and butter and tea, oatmeal porridge, sugar and milk.

Dinner—Meat stew, bread and tea, rice pudding with sugar.

Supper—Bread and butter and tea, marmalade, jam or honey, fried potatoes or macaroni.

The total number of meals supplied Casuals, including those who slept in the Ward and those who came in for meals only was 590,249 at a cost of 5½ cents per meal.

The average number of Casuals in the building during the three winter months (January, February and March), was 250.

The Casuals came from coast to coast.

We wish to record our sincere appreciation of the hearty co-operation of Chief Draper and his staff, also the staff of the Civic Unemployment Relief Committee.

A large number of able-bodied men refused to work in return for shelter and meals and a few were in consequence brought before the Magistrate by Chief Draper and sentenced to a term in jail, this action effectively improving the conduct and demeanor of those being cared for.

By request Casuals were admitted all night.

All those who have had the management of the Lodge have given faithful and satisfactory service.

ALD. J. R. BEAMISH,
Chairman.

OUTDOOR RELIEF REPORT

1931-1932

The ninety-fifth year that this Institution has ministered to the unfortunates of this city has closed. No claim for perfection is made, yet as the years have come and gone, many have been faithful and able workers who serve without any financial inducement or reward. The past year has been the most severe test of our resources which the House has ever experienced, as more than double the number of families received relief than during the previous year, and that year itself was a record in that regard. However, your Committee think that the visitors, management and all parties concerned have risen nobly to meet the crisis and believe that the most exceptional demands have been promptly and satisfactorily dealt with.

The work of this department consists of assistance given to families in their homes. Owing to the depression in the labour employing industries the number of unemployed was very large. Many people have required assistance who never knew what it was to be in real want before. The aim of the House of Industry has always been to give assistance in the simplest and most direct way and free from unnecessary regulations while care is taken to protect the House against imposition and fraud. Every known case of need requires careful consideration and sympathetic treatment at its hands. We have never approved of undue pub-

licity in carrying on our relief work and have endeavored to treat all applications and reports of our investigators as confidential so that those whom misfortune has compelled to ask for assistance may accept it without the loss of their self respect.

All applications made for relief, personally or by any one interested in a case, receive prompt and immediate attention, assistance being given without delay and investigation made by one of our trained investigators. In cases of sickness and great destitution food and fuel are delivered within an hour or two after the attention of the superintendent has been drawn to the case. Great care is taken to relieve distress without embarrassment to the applicant and delivery of supplies are made by truck, no parcel containing any distinguishing mark upon it.

It may be interesting to know that during the past year we have had inquiries from Canadian, as well as from some cities across the border requesting information as to our system of giving relief. The purchase of supplies at wholesale and manufacturers' prices enables the House to effect a large saving in all departments, but more particularly in connection with the Outdoor Relief. The labour entailed in parcelling groceries and other work in connection with Outdoor Relief is done without cost to the city.

We are continuing the arrangement with the Public Health Department to provide special diets for diabetics and other diseases requiring extra nourishment, upon written order from the Medical Health Officer. This was authorized by the Board of Control.

The number of families receiving Outdoor Relief last year was 20,057.

Many letters of appreciation have been received from applicants receiving Outdoor Relief.

The following statement of families assisted, with cost of supplies for the past few years, may be of interest.

Year	No. of Families	Groceries	Fuel
1924-25	5,595	\$ 199,743.72	\$ 48,346.87
1925-26	4,681	187,004.10	36,792.75
1926-27	4,350	190,993.45	43,616.60
1927-28	4,354	200,212.57	42,140.64
1928-29	3,470	171,035.64	24,683.82
1929-30	4,622	209,217.84	42,040.24
1930-31	11,040	600,730.29	118,320.40
1931-32	20,057	1,375,736.83	285,674.02

Sickness in the home was the cause for assistance in 874 cases.

7606 families were assisted for the first time.

3521 families of returned men received assistance at a cost of \$305,763.64.

The cost of Outdoor Relief for the year was \$1,741,601.85, an average cost of \$86.84 per family, as compared with \$65.13 the previous year.

There were eighteen investigators employed by the House up to the first of the year when the number was increased to 21.

The investigators made 71,547 written reports.

The efficiency of these visits is evidenced by the fact that 961 applicants were refused for good and sufficient reasons and thereby effecting a saving to the city of \$83,453.24 in the year's work.

We would also direct attention to the fact that 886 liquor permits were held by applicants for Outdoor Relief. After careful investigation 490 of these were refused assistance as monies used for excessive purchases of liquor should have been employed in purchase of food. We wish to thank the officers of the Liquor Control Board for their co-operation.

Entire cost, salaries and overhead expenses, \$80,191.00 or 4½% of

all monies expended. The lowest administration cost known to this Board of any city.

The three motor cars have been going at full capacity to cope with the regular work and emergency cases, enabling us to give assistance in all cases requiring immediate attention the same day application is made, as well as permitting our investigators to report upon a great number of cases daily.

It affords us pleasure to once again report the splendid co-operation of the Medical Health Department, Treasury Department, Department of Public Welfare, Neighborhood Workers' Association, Toronto Hospitals, Canadian National Institute for the Blind, the Visiting Housekeepers' Association, Catholic Welfare and other agencies engaged in relief and social work in the city.

3,501 letters were written to different agencies engaged in Social Service work from this office during the year.

Close contact with other organizations interested in welfare work is maintained to prevent duplication, and the staff were in conference with the following agencies in conducting investigations:

Children's Aid Society,
Catholic Welfare Bureau,
City Relief Office,
Canadian National Institute for the Blind,
Clergymen,
Deaconesses,
Gage Institute,
Government Employment Bureau,
Immigration Department,
Mothers' Allowance Commission,

Police Department,
Soldiers' Civil Re-establishment,
Department of Public Welfare,
Salvation Army,
Toronto General Hospital,

and other Organizations.

The following is a list of supplies given weekly to a family of five persons:

2 lbs. Rice or Sago,
3 lbs. Flour,
4 lbs. Granulated Sugar,
 $\frac{3}{4}$ lb. Tea,

 2 tins Tomatoes,
 1 tin Salmon,
 1 pk. Potatoes and 1 Cabbage,

 Milk and Bread, according to size of family,
 300-600 lbs. Coal every two weeks.

The amount of supplies is governed by number in family.

In connection with Outdoor Relief 57,957 telephone calls were received during the year and 15,452 letters, and 39,092 office interviews.

Among the causes of destitution, sickness and unemployment were the two principal factors.

THE REPORT OF THE MEDICAL OFFICER HOUSE OF INDUSTRY, TORONTO

FOR THE YEAR ENDED 31st MARCH, 1932.

As we close our year there are 147 Inmates in the House, 95 men and 52 women. This is 25 more than were on the Register a year ago.

All are aged people who suffer from the infirmities of the closing years of life, and not able to stand the wear and tear of responsibility.

Most are in receipt of pensions from the Government which has brought to them a mental attitude which is happier than in the days prior to such assistance.

There is a general spirit of happiness in the House, and we have had little serious illness.

Fourteen have been transferred to the Toronto General Hospital for treatment necessary to their care, and we have received sixteen from the hospitals in the city.

7 men and 6 women have died. Death has usually been due to cardio-vascular disease.

At present there is one patient in each of the Infirmaries which speaks well for the general care and supervision of the lives of the Inmates.

Respectfully submitted,
CHARLES J. COPP,
Attending Physician.

REPORT ON THE AUDIT OF THE BOOKS AND ACCOUNTS

FOR THE YEAR ENDED 31st MARCH, 1932.

Department of Audit, City Hall,
Toronto, 11th June, 1932.

The Chairman
and Members of the Board of Management
of the House of Industry, Toronto.

Dear Sirs:—

I have to report that in accordance with the request of your Board and on the instructions contained in the Minutes of the meeting of the Board of Control, which was held on 30th May, 1923, I have made an audit of the books and accounts of the House of Industry for the year ended 31st March, 1932.

The inventories of Materials and Supplies on hand as certified by the Superintendent were produced as of the date of the 31st March, 1932. The inventories were priced as of the value on the day of stocktaking. There was a difference of \$9,326.84 between the amount of the inventories and the amount of Ledger Accounts. The books have been reduced to the amount of the inventories. This difference may be accounted for as wastage in the handling of groceries purchased in bulk to the value of \$427,000.00 and the transferring of them into 363,000 parcels.

The Investments were verified by inspection. Among the investments there is an item of the nominal value of \$1.00 representing a \$2,000.00 endowment in the Mary Pollard Trust, the income only of which is payable to the House of Industry.

Land and Buildings were taken into account in 1924 at the assessed value at that time. The additions to the Buildings which have been made since, have been taken in at cost.

Depreciation as in past years has been written off Furniture and Equipment, but not off Buildings.

The Expenditures on Unemployment Relief was \$1,060,000.00 more than for the previous year and the Expenditure on Casual Ward Relief was \$16,000.00 more. Of these increases the portion due to additional amounts paid in salaries and wages was \$22,000.00.

The Excess of Expenditure over Revenue for the year ended 31st March, 1932 was \$30,226.22. This is accounted for as follows:

Salaries and Wages for Unemployment Relief.....	\$ 48,984.87	
Other expenses, paper bags, etc.....	26,068.70	
Casual Ward expenses	32,196.86	
Inmates Residence expenses	18,541.62	
Administration and Inventory adjustment.....	18,298.39	
Ordinary relief included in Outdoor Relief.....	46,772.30	
		<hr/>
		\$190,862.74
Less: City's grant	\$108,000.00	
City's grant for administration.....	7,000.00	
Miscellaneous Revenue	2,182.91	
Interest and donations	2,850.40	
Casual Ward and Inmates Residence		
Revenue	40,603.21	
		<hr/>
		160,636.52
		<hr/>
Making the loss for the year.....	\$ 30,226.22	

In 1930 the City Council made a special grant to the House of Industry of \$20,000.00 for Casual Ward Improvements.

This amount has been expended as follows:

Additions to Building	\$16,971.53
125 New Bunks	1,022.50
New Bedding	1,311.16
	<hr/>
	19,305.19
Balance held for New Floor.....	694.81
	<hr/>
	\$20,000.00

As set out in the Revenue and Expenditure Account an amount of \$48,984.87 was spent on salaries and wages in connection with Outdoor Relief. The major part of this amount was spent in connection with Unemployment Relief and it was provided out of the ordinary grant of \$108,000.00 made by the City to the House.

In April, I made enquiry into the accounts rendered by the House to the City Treasurer for the period between 1st January, 1930, and 31st March, 1932, for milk supplied for Unemployment Relief. The amount which was overcharged to the City on the half monthly accounts was \$57,537.84 of which \$33,680.18 was due to the Provincial Government for its share of Unemployment Relief. Entries have been made in the books correcting this amount of \$57,537.84. I made a special report on this subject to the Board of Control in April, 1932.

The tickets for Milk, Bread, Butter and Coal for the period between 1st January, 1930 and 31st March, 1932, which have been collected by the merchants are now being compared by the Audit Department with the invoices. As this comparison will take a number of months to complete I have not thought it proper to delay longer this report.

Subject to the completion of the check on the tickets, I find that the accounts of the House are in order and that the Balance Sheet sets forth the financial position of the House of Industry as at 31st March, 1932, and as shown by the books.

Yours very truly,

SHOLTO C. SCOTT,
City Auditor.

SUPERINTENDENT'S REPORT INMATES — 1931-1932

The majority of our Inmates are old and infirm.

Many old people come to the House of Industry, there they are well taken care of and when once settled, they are happy and contented and greatly improved in health, bodily and mentally.

Fifty Inmates, largely through the granting of Old Age Pensions and assistance of relatives and friends, contribute toward their support in the House.

The women inmates very capably assist with the mending and sewing of the Institution.

The oldest Inmate passed away in her one hundredth year after a twenty years' residence in this House.

Christmas was a pleasant time of relaxation and good cheer. The members of the Board and friends held a delightful Christmas Tree Entertainment in the Assembly Hall on December 19th. Several very interesting reels of moving pictures were shown, after which each inmate received a well filled stocking from Santa Claus. The evening was brought to a close with the serving of ice cream and cake to the Inmates.

In July, under the chairmanship of Mr. Thomas Maguire, a most enjoyable and successful picnic was held at Exhibition Park, everyone being conveyed by motor bus to the grounds. Races and competitions were held during the afternoon, after a bountiful supper was served in one of the buildings, which was followed by a presentation of a Punch and Judy show. 120 tired people returned home by motor bus.

The following is an extract from the Government Inspector's report: "The discipline is excellent. The condition of bedding and clothing is excellent. The condition of dining rooms and kitchens is very good, and the management is good as is evident in the low cost of administration."
